## Warfare and the Third Reich: The Rise and Fall of Hitler's Armed Forces Christopher Chant

An outstanding assessment of the military power unleashed by Hitler, Warfare and the Third Reich is a notable contribution both to military history and to the understanding of the events during, and the outcome of, World War II. Written with great authority, it examines and discusses the growth, development and deployment of the German armed forces and considers Hitler's generals and their vital roles in the rise and ultimate decline of the Third Reich.
