Teoría U: Liderar desde el futuro a medida que emerge (Spanish Edition) Otto C. Scharmer

Acceda a la fuente más profunda de inspiración y visión.

Vivimos en una época de gran fracaso institucional que requiere una nueva consciencia y una nueva capacidad de liderazgo. En este libro, Otto Scharmer nos invita a ver el mundo de nuevas maneras y, al hacerlo, a descubrir un enfoque revolucionario del liderazgo. Teoría U propone que la calidad de los resultados que creamos en cualquier sistema social es en función de la calidad de la consciencia y la atención desde la que los participantes en el sistema operan. Desde su concepción, la teoría U ha llegado a entenderse de tres maneras principales: en primer lugar como un marco; segundo, como un método para liderar el cambio profundo; y tercero, como una forma de ser que conecta los aspectos más elevados de nuestro auténtico Yo. Basándose en diez años de investigación y de aprendizaje activo y en entrevistas con decenas de profesionales y líderes de pensamiento, Teoría U ofrece un modelo práctico que permitirá a dirigentes y a organizaciones enteras cambiar su consciencia, conectar con el mejor futuro posible y obtener la capacidad para realizarlo.
