The Exile: Book One of the Fae (Book of the Fae) C. T. Adams

Brianna Hai runs an occult shop that sells useless trinkets to tourists—and real magic supplies to witches and warlocks. The magical painting that hangs in Brianna's apartment is the last portal between the fae and human worlds.

A shocking magical assault on her home reveals to Brianna that her father, High King Liu of the Fae, is under attack. With the help of her gargoyle, Pug, her friend David, and Angelo, a police detective who doesn't believe in magic, Brianna recovers what was stolen from her and becomes an unwilling potential heir to the throne.

A suspenseful urban fantasy with a hint of romance, *The Exile* is the first solo novel by C. T. Adams, who is half of *USA Today* bestselling author Cat Adams. Like the Cat Adams Blood Singer novels, *The Exile* is set in a world where magic is real and contains Adams's trademark blend of suspense, action, humor, and strongly emotional writing.
